Momoyo spent her youth in Japan, Italy and Canada. Being fascinated by the beauty of her mother language, she entered Tokyo University of Foreign Studies, majoring in Japanese. After graduating from the university, she aspired to become a voice over artist and joined "Keiko Yokozawa Voice Actor & Narrator School". Since 2012, she has been working as a freelance voice talent for numerous commercials, TV programs, corporate videos, e-learning videos, public announcements, and museum audio guides. She has also expanded her career as a translator, where her accurate and expressive translation skills are highly valued. Her passion is to bring YOUR story to life through translation and narration.

We can connect via Zoom, Skype, Teams, WebEx, or any other program your company uses. If you need to book a directed session, please let us know.

- WORK EXPERIENCE -

Momoyo's voice is especially famous in Japan for a mnemonic of a pharmaceutical company's TV commecal "MUHI" that every Japanese knows.

Commercial | TV Program | Corporate Videos | Apps | Museum Announcements | Audio Guides | E-Learning | Event Hostes | Video Appearance | Kids' Books an more

I also work as a video appearance reporter.

And as one of my services, I can also translate voice-over manuscripts.
